No-device mode & answers

Use this pack when students have no phones, or as a lesson opener. Do not hand it out before students have tried.

How to read the scripts

1. Read **once** at normal speed for the first attempt (Mission 7: once only). 2. Pause only at commas and full stops. 3. Do **not** make answer words louder or clearer. 4. Let students check, classify errors (A/P/D/S/F), then read once more so they can *hear* what they missed. 5. With devices: students scan the QR code on their mission sheet instead — same scripts, recorded audio.

Script A — Trick answers (Mission 3)

Maya first booked the Monday session, but her work schedule changed, so she will attend on Wednesday instead. Visitors used to gather at reception; however, building work means everyone should now meet at the library entrance. The standard fee is fifty pounds, although early registration reduces it to thirty-five pounds. Learners do not need a laptop or headphones, but they must bring a notebook.

Script B — Numbers & spelling (Mission 4) · read each item, pause 5 seconds

1	thirteen	**2**	thirty	**3**	fifteen	**4**	fifty
5	18 June	**6**	80 King Street	**7**	M-A-R-C-O	**8**	B-R-I-G-H
9	two tickets (extension)	**10**	an affordable course (extension)				

Stress reminder: thirTEEN / fifTEEN / eighTEEN (strong END) vs THIRty / FIFty / EIGHty (strong START). Items 9–10 are on the web track for fast finishers.

Script C — BOSS (Mission 7) · read once

The communication workshop will take place on 24 October in Room 2B. The main topic is confident speaking. Participants should bring a notebook. There is no charge for registered students.

Answers

Mission	Key	Teaching note
1 Predict	1 time · 2 price · 3 thing (singular noun)	Any justified prediction earns discussion, not just the key: ask “why?”
2 Same meaning	1 cheaper / more affordable · 2 near / close to · 3 advantage · 4 problem	Have students underline the paraphrase in a script after checking.
3 Trick answers	1 B Wednesday · 2 C library entrance · 3 A £35 · 4 B a notebook	Traps: Monday / reception / £50 / laptop·headphones all appear first. Signal words: but, however, although, instead.
4 Numbers	1 thirteen · 2 thirty · 3 fifteen · 4 fifty · 5 18 June · 6 80 King Street · 7 Marco · 8 Brighton (sheet uses 8 of the 10 recorded items; 9–10 are the optional web extension)	Drill stress before replaying: clap the strong syllable (thir-TEEN).
5 Speaking 1	No single key — check the 3 steps: answer / reason / example are all present and on-topic.	Step up = borrow ONE phrase from the model, e.g. “real conversations”.
6 Speaking 2	No single key — 6 keyword steps covered, 1 minute reached, clear ending.	Keywords only in prep; full sentences in notes = reading aloud, not speaking.
7 BOSS	1 24 October · 2 Room 2B · 3 confident speaking · 4 a notebook · 5 no charge — every answer is within the 2-word limit.	Speaking Q1 uses the Mission 5 frame; Q2 adds “that said…”. Mark the frame, not perfection.

Error codes (exit tickets)

A didn't hear it (audio) · **P** wrong guess (prediction) · **D** trick answer (distractor) · **S** spelling/grammar · **F** lost focus. Tally the class's codes on the board: the biggest letter is next lesson's opener.

10-minute lesson openers

Lesson	Opener (one mission)
1	Mission 1 on paper; teacher reads two made-up gap sentences live.
2	Mission 3, teacher-read Script A (this pack). Exit ticket = homework record.
3	Mission 4 stress clap drill, then dictation. Pairs check each other's spelling.
4	Mission 5 in pairs: ask–answer–swap, then Mission 6 keyword race (1-minute prep).
5	Mission 7 BOSS as a mini-test; students self-mark with this key *after* you collect exit tickets.

Differentiation: replay a mission with Japanese hints OFF (web toggle) · Step up models on the mission sheets · full v2 workbook = extension for students who clear all 7 missions. Original practice material — not official IELTS questions. Confirm current test format at ielts.org.
