YOUR IELTS TEST DAY — no surprises!

テスト当日の流れ — Know the journey, and nothing can surprise you. This quest trains the two ★ rooms.

1 BOOK	2 CHECK IN	3 ★ LISTENING	4 READING	5 WRITING	6 ★ SPEAKING	7 SCORES

Speaking may be before/after the main tests, or on a different day (up to 7 days before/after) — your confirmation says when. Listening → Reading → Writing always run together: 2 hours 40 minutes, NO breaks.

STOP 1 · BOOK
Choose Academic or General Training, paper or computer. Listening & Speaking are the same for both; Reading & Writing differ. Your confirmation = date, time, place, Speaking time.
This quest = Listening + Speaking only.

STOP 2 · PACK & ARRIVE EARLY
Bring the **same ID you booked with**. Into the room: ID + **water in a clear, label-free bottle** only. Phones, watches, electronics, own pens stay outside. Centre takes your photo (some scan a finger). Late = may not enter. Eat & use the toilet before — no breaks!

STOP 3 · CHECK IN
Staff check ID, take your photo, store your belongings, show your seat. An invigilator explains the rules — same for everyone, it is not a test.
Need help? **Raise your hand quietly.**

STOP 4 · ★ LISTENING ROOM (Missions 1–4)
About 30 min · 40 questions · **first test of the day**. Sound is checked first — can't hear? Raise your hand **before** it starts. 4 recordings, each **ONE time** only, getting harder (chat → talk → study talk → lecture). A short reading moment before each part = your **prediction time**. Write as you listen; paper tests get transfer time at the end, computer a short check time.

STOP 5 · READING + WRITING (other lessons)
Reading: 60 min · 40 questions · answers go straight on the answer sheet/screen (no extra transfer time). Writing: 60 min · 2 tasks. A clock is in the room — the invigilator gives time warnings. *Not trained in this quest — study these separately.*

STOP 6 · ★ SPEAKING ROOM (Missions 5–7)
11–14 min · you + one examiner · same ID again. It is **recorded** (normal for everyone).
P1 (4–5 min) questions about you → **P2** topic card, 1 min keyword notes, speak 1–2 min → **P3 (4–5 min)** deeper talk. The examiner controls the time — **being stopped ≠ failing**. No score is given in the room.

FINISH: stay seated until staff say you can leave · collect your things · report any problem ON THE DAY · later: 4 scores + 1 overall (1–9) on your Test Report Form.
