1 BOOK	2 CHECK IN	3 ★ LISTENING	4 ★ READING	5 ★ WRITING	6 ★ SPEAKING	7 SCORES

2026 Delivery Note: Listening → Academic Reading → Academic Writing run back-to-back on computer (~2 h 30, **NO breaks**; selected centres offer a hybrid *Writing on Paper* option). Speaking is always **live face-to-face** with a certified examiner (same day or within ±7 days).

STOP 1 · BOOK IELTS ACADEMIC (CENTRE DELIVERY)

Choose **IELTS Academic on Computer** at an authorised test centre (avoid remote at-home tests for visas/licensing).

- **University UG:** ~6.0 (min 5.5) · **PG:** ~6.5 (min 6.0)
- **Teacher Registration (e.g. NZQA / Teaching Council NZ): 7.0 in all 4 skills**
- **One Skill Retake:** available within 60 days at computer centres if one skill falls short!

STOP 2 · PACK & ARRIVE EARLY

Bring the **exact valid passport/ID used when booking**. Inside the exam room: only your ID and **water in a clear, label-free bottle**.

Phones, watches, bags, and notes stay locked outside. Centres take a security photo (and finger scan). Eat and use the toilet before check-in — **zero breaks** once started!

STOP 3 · CHECK IN & SOUND CHECK

Staff verify your ID, store belongings, and guide you to your booth. Put on your headphones and test the volume carefully. If anything sounds unclear or a key sticks, **raise your hand quietly BEFORE the test starts**.

STOP 4 · ★ LISTENING (~30 min · 40 Qs · Lessons 1–9)

4 recordings played **ONE time only** (Part 1 2-speaker call → Part 2 public talk/map → Part 3 seminar → Part 4 lecture) across all **10 task types**.

Crucial computer rule: type/click answers directly as you listen — you get only **~2 minutes at the end** to check spelling & word limits (not 10 min)!

STOP 5 · ★ ACADEMIC READING (60m) → ★ WRITING (60m)

- **Academic Reading (Labs 1–6):** 3 academic texts, 40 Qs side-by-side on screen across all **11 official task types** (*T/F/NG, Y/N/NG, Headings, Match Info/Features, Diagram, Summary*). Zero extra transfer time!
- **Academic Writing (Labs 1–4):** Task 1 (*~20m, min. 150w*: chart/table OR process diagram + clear Overview) & Task 2 (*~40m, min. 250w, 2× weight*: discursive essay). Live word counter ON; **spellcheck OFF**!

STOP 6 · ★ SPEAKING ROOM (11–14 min · Parts 1–3 + Audio)

Face-to-face with one examiner (recorded as standard):

- **Part 1 (4–5m):** ID check + 2 familiar topic frames (2–3 sentences each)
- **Part 2 (3–4m):** Task card → 1:00 keyword notes → speak **1–2 min** + **1–2 short rounding-off questions**
- **Part 3 (4–5m):** Abstract society discussion. Being politely stopped at 2:00 is normal — **never a penalty!**

STOP 7 · FINISH & RESULTS: Stay seated until dismissed and report any room/audio issue **before leaving the centre**. Computer results typically arrive in **1–2 days**: 4 individual skill bands + 1 overall band (1–9).
